SMUHSD 2017-18 Academic Achievement Report

The District has compiled for each of its common academic outcome measures, a three-year (2015-17) disaggregated report and set of annual targets for the district overall and each site for the 2017-2018 school year. The common measures addressed in this report are as follows:

- o *Estimated Graduation Rates*
- o *A-G Completion (denominator excludes non-grad track SpEd Students)*
- o *D/F Rates in Algebra I & English I (fall semester)*
- o *End of 10th Grade – Percentage of students with 110 credits and a 2.0 Grade Point Average*
- o *EL Student Progress*
- o *California Assessment of Student Performance and Progress (CAASPP)*
- o *AP Course-taking and Exam-taking/passing*

In general, this report shows:
- Overall, relatively high achievement for the majority of students
- Persistent achievement gaps between overall student achievement and that of specific student groups. However, there is some general improvement among EL's learning English in English Language Development classes
- A dip in performance across almost all measures for 2017 (relative to 2016) across all sites and subgroups
- Excellent graduation rates and mixed results regarding students graduating UC/CSU-eligible (having met the "A-G" criteria)
- The continuance of a significant gap in performance among 11th Graders taking the CAASPP between ELA and Mathematics and a particular drop in mathematics performance among all student groups at some sites
- Significant increases in student AP test-taking over the last three years

The District and sites are taking the following actions to understand and address the issues identified in the data:

- o **A-G:** Continuing to investigate & address where the barriers are & which indicator is key ("C" Grades or Course-taking?)

- o **Decreasing D/F**: Reviewing progress & intervening @ first six weeks with staff & students

- o **10th Graders with 110 Credits & 2.0:** Continue to monitor, intervene and provide summer school opportunities

- o **CAASPP Improvement:** Focus on math: new materials, training & intervention schemes

- o **EL Progress:** Continued refinement of ELD program; implement *Designated* and *Integrated ELD* for Long-Term English Learners; Summer School expansion
- o **Graduation Rates:** Refining common counseling practice (facilitated by new MTSS Coordinator)

- o **AP Course/Test-Taking:** Continue to conduct outreach to students; use PSAT "AP Potential" data

SMUHSD 2017-18 Goal: Increase in Graduation Rates

Goal 2G - Graduation Rates: **Increase graduation rates overall and among key subgroups (2017-2020):**

- Increase Overall graduation rate from 96.3% to 98%
- Increase Hispanic/Latino graduation rate from 91.7% to 93.7%
- Increase Pacific Islander graduation rate from 95.5% to 96.5%
- Increase Economically Disadvantaged (ED) student graduation rate from 92.2 to 94%
- Increase English Learner (EL) student graduation rate from 71.5% to 80%
- Increase Reclassified-EL graduation rate from 98.3% to 99.3%
- Increase Special Education student graduation rate from 87.5% to 90%
- Increase Foster Youth graduation rate from 86.7% to 100% (per AB-167)

Estimated Graduation Rates 2015-17 & 2018 Expected Annual Measurable Outcome (by School) – ALL Students

School	2015 Graduation Rate	2016 Graduation Rate	*Estimated* 2017 Graduation Rate	2018 Grad Rate Target
Aragon High School	96.2%	99.1%	97.9%	98.9%
Burlingame High School	94.1%	98.3%	98.1%	99.1%
Capuchino High School	85.2%	93.7%	91.0%	93.0%

SMUHSD 2017-18 A-G Goals by School and Student Group

LCAP Goal 2A: A-G Completion:

- The district will increase by 5% the overall percentage of students meeting A-G Requirements in 2017-18, 3% in 2018-19, & 4 % in 2020
- The district will increase by 8%, the number of EL, Low-Income, Foster/Homeless Youth, Special Education, Lati and Pacific Islander students completing A-G course sequence in 2017-20, respectively

Percentage of *All Students* who met the A-G Requirements 2015-17 & 2018 Expected Measureable Outcome (by School)

School	2015 A-G Completer %	2016 A-G Completer %	2017 A-G Completer %	2018 A-G Target
Aragon High School	60.3%	68.6%	58.7% (n= 334)	63.7%

SMUHSD 2017-18 - 9th Grade D/F Rates (English I and Algebra I [fall]/Math I [fall]) by School/Student Group

2-B. **Reduction in D/F Rates**: Improvement in percentage of students achieving "C-" or better grades overall and among our student subgroups:
The district will increase by 3% the overall number of 9th grade students receiving a "C-" grade (or better) in Math I (fall 2017). In addition the District will increase by 5%, the number of EL, Low-Income, Foster/Homeless Youth, Special Education, Latino and Pacific Islander 9th grade students receiving a "C-" grade or better in Math I
The district will increase by 4% the overall number of 9th grade students receiving a "C-" grade (or better) in Algebra I (fall 2017). In addition, the District will increase by 6% the number of EL, Low-Income, Foster/Homeless Youth, Special Education, Latino and Pacific Islander 9th grade students receiving a "C-" grade (or better) in Algebra I (fall 2017).

Percentage of *ALL* Students with C- or better in English I (fall semester)

SMUHSD 2017-18 Goal:
Increase in Number of 10th Graders with 110 Credits & 2.0 GPA

LCAP Goal 2-C. Increasing Number of 10th Graders "On-track":

- The district will increase by 3% the overall number of 10th grade students "on track" ("on track" means that a student has completed at least 110 credits & has a GPA of 2.0 or higher) and 5% the overall number of 10th grade EL, Low-Income, Foster/Homeless Youth, Special Education, Latino and Pacific Islander students "on track" (having completed 110 units).

Percentage of *All 10th Grade Students* with 110 Credits & 2.0 GPA @ end of school year & 2018 Expected Measureable Outcome (by School)

School	2015 "On-track" 10th Graders		2016 "On-track" 10th Graders		2017 "On-track" 10th Graders		2018 A-G Target

SMUHSD 2017-18 Goal: Increase in CAASPP Summative Assessment Results

CAASPP/EAP Improvement: District 11th grade students will show the following improvement on the CA Assessment of Performance & Progress:

- A 2% Increase overall in the number of students meeting/exceeding standard on the CAASPP-ELA assessment (therefore at least "conditionally" meeting the Assessment Program [EAP] "Readiness" measure in ELA) and increase by 5% the number of students whose achievement level is "Standard Met/Standard Exceeded" among EL, Low-Income, Foster/Homeless Youth, Special Education, Latino and Pacific Islander students subgroups.
- A 5% increase overall in the Math assessment overall on the CAASPP-Math (therefore at least "conditionally" meeting the Early Assessment Program [EAP] "Readiness" measure in Math) assessment and increase by 7% the number of students whose achievement level is "Standard Met/Standard Exceeded" among Low-Income, Foster/Homeless Youth, Special Education, Latino and Pacific Islander students subgroups.

Embargoed Data for Spring 2017. (CAASPP results have not yet been released)
